Dear CPT Netherlands support group,

It's my pleasure to welcome you into the CPT family of regional groups and national networks as CPT Netherlands. I know that you all have already done tremendous work in building a strong structure for supporting the growth of CPT in the Netherlands and across Europe. It's been incredible to watch the increasing interest, energy and resources for CPT work and the work of our partners in the Netherlands and across Europe. In the process, you all are participating in the transformation of CPT in new and exciting ways.

I hope that some of you will soon be able to follow Maarten van der Werf in joining the CPT corps as reservists or full-timers. That said, I'm delighted to have *all* of you involved in the work of CPT at a local level through CPT Netherlands. I look forward to working alongside you in your visioning and growth as a community of Christian peacemakers working for peace and justice at home and around the world.

Sincerely,

Tim Nafziger
CPT Outreach Coordinator
